

IT'S YOUR KIDNEY'S

Don't Mistake the Cause of Your Troubles. A Norwich Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Norwich people testify to permanent cures.

Patrick Sullivan, living at 48 Mt. Pleasant street, Norwich, Conn., says: "If any person should ask me what to use for pain and lameness across the small of my back I would advise the use of Doan's Kidney Pills. I have found they have no equal for this trouble. Doan's Kidney Pills thoroughly relieved me of a severe pain in the small of my back, and strengthened my kidneys and benefited me in a general way. I procured this remedy at N. D. Sevin & Son's drug store, and am glad to recommend it."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

UNIVERSALIST STATE CONVENTION

Opening of Session and Several Addresses Wednesday—Election of Officers Today.

The 77th annual session of the Connecticut Universalist convention of the state opened Wednesday morning in the Church of the Messiah on Orange street, New Haven, and will end today, when the election of officers for the ensuing year will be held. There were about 50 delegates present from the different parishes in the state at the opening Wednesday morning at 10.30 o'clock when the organization of the meeting was effected. There was a roll call to which all of the delegates responded. Committees for the transaction of business were then appointed by President Charles T. Lincoln of Hartford. The official reports which were then submitted showed that the past year has been a very prosperous one.

At 10.30 a communion service was held with Rev. Theodore Fischer, pastor of the church, presiding. Following this there was a ministerial relief meeting and after this hour the meeting adjourned for dinner, which was served by the ladies of the parish in the basement.

At 1.30 Professor Benjamin W. Bacon, D.D. of Yale, made a sitting address with "Jesus and Paul" as his subject. "What can we do for the Christian Ministry?" was the topic which was discussed at length by George M. Harmon, D.D. of Tufts divinity school. Rev. William Channing Brown of Boston, Mass., then gave the formal greetings to the assembly from the American Unitarian association. Late in the afternoon, Allan K. Smith of Hartford spoke upon "The Young People's Christian Union." In the evening Rev. Willis A. Moore of Meriden delivered the sermon which was followed by the report of the state superintendent, Rev. W. F. Dickerman, D.D. of Waterbury. This morning at 8.30 the meeting will again be opened for conference and prayer by Rev. Hiram W. Smith of Middletown and at 10 a. m. the convention will formally open at which the reports of the committees will be followed by the election of officers.

MISSIONARY SOCIETY.

Mrs. J. F. Cobb of Norwich Re-elected President.

At New Haven on Tuesday the State Universalist Woman's Missionary society held its annual meeting. There were present the members of the executive board and delegates from Norwich, New Haven, Middletown, Danbury, Hartford and Meriden. Mrs. Maud B. Cobb of this city, president, called the meeting to order, and Rev. Joseph F. Cobb offered prayer. The president's annual address reported commendable progress during the year and the organization of the executive board. The president said that the watchword for the coming year is "A circle for every parish and every woman a member of a circle." The suggestions made in the address were that a number of life memberships at \$25 each be secured.

PASTOR JUMP'S GOWN.

New Britain Congregation Divided as to Its Being the Proper Thing.

In New Britain considerable of a breeze has been stirred up in the South church over the question of whether the Rev. H. A. Jump, the new pastor, when he takes charge in October, shall wear a gown in the pulpit.

The Rev. Mr. Jump has been accustomed to wear a gown at the church in Brunswick, Me., where he came from, and when he preached in New Britain one Sunday last June, after accepting the call, he appeared with his gown in the pulpit. Some of the prominent members of the church like the innovation, and others consider it distasteful. The matter was brought up at a church meeting, and a vigorous debate was held. An amendment to a motion against wearing a gown was carried by two votes. This gives the pastor the privilege as far as the church is concerned of wearing the gown.

The opponents of the gown say that the meeting was, admittedly attended and consequently not representative.

Consideration for the King.

President James Bellamy of St. John's college, Oxford, who died the other day at the age of 90, hated tobacco. He explained to the king when Prince of Wales that he did not go to Sandringham because "the truth is, in that I can't stand your smoke." When King George of Greece attended a dinner in the banquet hall of St. John's, where tobacco was forbidden, President Bellamy at the proper moment, said: "Mr. Proctor, take his majesty into the garden for a smoke," knowing the king's habit of smoking after dining.

A WARNING

Don't be Humbugged with Cheap, Worthless Imitations

Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations similar in name. Look out for them, they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at The Lee & Osgood Co.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangrebon's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a daintily perfumed hair dressing, not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it.

Beware of imitations: look for the girl with the Auburn hair on every package. Parisian Sage is now sold by leading druggists all over America and is guaranteed by The Lee & Osgood Co. to cure dandruff, stop falling hair and itching scalp in two weeks or money back. Fifty cents a large bottle. Made in America by Gilroy Mfg. Co., Buffalo, N. Y., who fill mail orders, all charges prepaid.

Health and Beauty Aid.
Committees and physicians will not clear your complexion of pimples and blotches as like Foley's Orino Laxative, for indigestion, stomach and liver trouble and habitual constipation. Cleanses the system and is pleasant to take. The Lee & Osgood Co.
